Cash-In Codes

Candidates cannot be awarded a full IAL grade if the cash-in code has not been included as part of the entry when the award requirements are being met. Certificates cannot be issued unless the cash-in codes are supplied. Cash-In Codes supplied after the deadline of normal registration period are subject to late fees.

Candidate must provide copy of previous exam results slip which shows all banked units in order to cash-in. It is candidate responsibility to ensure that all units were and to be completed during cash-in requests.

Decline of grades

Candidates no longer need to decline their grades once the results are issued. They are able to re-take their units and receive a new certificate with the higher marks. Candidates do not need to return their old certificates with the grades they do not wish to keep.

Candidates are advised to visit Edexcel's website www.edexcel.com for the IAL units regarding syllabus and regulations.
